In 1994, Boyne Resorts signed an agreement to build and manage Bay Harbor Golf Club. Completed in 1996, this golf club offers a few of America's most challenging and dramatic golf holes. Three distinctive nine hole layouts designed by Arthur Hills, the courses meander along breathtaking shoreline vistas through hardwoods and around old shale quarry featuring very unique landforms, and dramatic finishes on Lake Michigan. Bay Harbor Golf Club is located within the Bay Harbor community, just outside of Petoskey and approximately 265 north of Detroit. Bay Harbor Golf Club currently has more than 200 members and the courses are available for public play during the membership build-up period.
